All Pro Dads	We believe in the importance of male role models in our kid's lives. All Pro Dads is a monthly breakfast that gives dads (and moms) the opportunity to spend time with their children while learning important lessons about character. Volunteer opportunities range from setting up tables the night before to collecting donated items from local grocery stores. Last Friday of the month (Sept, Oct, Jan, Feb, Mar).	Kevin Hathaway	Kevin Hathaway (needs co-chair)
Community Partners	This group helps to connect local businesses as community partners with our school. With the support of local businesses we are able to provide additional educational resources for our kids. This position requires a little salesmanship to connect businesses to this opportunity, but we're eager to help you learn and find your groove!	Amber Williams	Leslie Gunn
Direct Donation Campaign (DDC)	At North Star Elementary School we don't ask our families to sell chocolate bars, wrapping paper or anything else. Instead we ask parents to donate directly to the PTA to help fund the additional programs for our kids. Your ideas on how to increase participation and get the word out are greatly appreciated!	Krishawn Greene	N/A
Free Money	There are all types of resources that provide free money to our school. This committee helps communicate and organize these resources so that our parents can help make it happen. Examples would include: Amazon Smile, Smiths grocery, Boxtops, etc...	Erica Lopez-Hamby	Erica Lopez-Hamby
Fun Run	Be a part of North Star's newest student event! Help organize this week of wellness for our kids that culminates in a school day fun run supported by the community!	Leslie Gunn	Leslie Gunn
Howlin' at the Stars	Every Spring we have a huge community event full of bounce houses, food vendors, raffles, silent auction, and so much more! If you are interested in learning more about how to be involved with this event we would love to connect you with the team!	Carolina Motsko	Janelle Girod
One Book, One School	Every year we pick one book and the entire school reads it together! The week of the book reading has a few activities that revolve around the story of the book. It is a fun and simple time the entire school is unified on a single project. Select here if you want more information on being part of this team.	Martha Muller	Martha Muller
Reflections	This annual celebration of the arts is sponsored by the National Office of PTA. Your involvement in this committee will involve planning and encouraging student involvement in a variety of mediums designed to stimulate creativity around a particular theme.	Ashley Shepard	Maria Ash
Restaurant Nights	Reaching out to our local restaurants for partnership and support can be a huge blessing to North Star Elementary. If you are interested in learning more about how to recruit and coordinate these resources we would love to tell you more!	Tom and Liz Kuan	
Science Fair	This is a super event that adds tremendous educational value to our school. Volunteer opportunities range from setting up tables and rounding up prizes to judging student entries. If you want more information on how to be part of the team that makes this happen we would love to talk to you about how you might fit in here!	Monica Chavez	Monica Chavez
School Supplies	Be every parent's hero by helping to champion the end of year order for school supplies! Families can order their school supplies for the following year through an online store, then they are delivered right to North Star in mid-August. Your help is needed to distribute information in the spring and be there for pick up in the fall.	Christa Horwitz	Christa Horwitz
Stars on Stage	Each year our school participates in a stage performance that highlights the talents of our students. We use a local theater company to help us, and we use parent volunteers to organize and support the program. Check this box if you want more information on how to be involved.	Krysty Ronchetti	
Sweet Treats	One of the ways we help encourage the staff at our school is to provide food for them once a month. Do you like to cook? Do you love to provide hospitality? Volunteering for this committee means contributing baked goods or lunch items, collecting gift cards, and/or setting up the teacher's lounge whenever you are able to help!	Brooke McGarry & Jen Taylor	Brooke McGarry & Jen Taylor
Staff Appreciation	We love our staff at North Star and show that affection at the end of the year with a phenomenal Staff Appreciation Week! Be a part of planning and executing a week of making sure our teachers, administrators and support staff know how loved they are.	Jen Taylor	Jen Taylor
Welcome and Onboarding	You are the life of the party and everyone is your friend! You help guide both new and existing parents towards connection and involvement within our school. There are multiple events throughout the school year where you will represent the PTA in an effort to help people get connected into our community.	Open	
Wolf Pride Market	We use a positive reinforcement to encourage school pride, good attitudes and helpful hands around the school. Teachers and staff pass out 'Wolf Bucks' to students for good behavior, and this committee helps staff the reward booth for students to redeem them. The market is only open one Friday morning each month. It is a low time commitment and a ton of fun to see the smiles on our kids faces.	Kristy Grantonic	Wendy McMurtry
